

New in 2021 the Indian Creek Country Club will be doing a corporate advertising program. In the past businesses have paid for cart sponsorships, the sponsorships on the downstairs wall, as well as individual hole sponsor signs. With so many opportunities to advertise, we have come up with a plan to make advertising at the club quite a bit easier. New this upcoming season we will have corporate sponsorship packages. Our top package will include two yearly memberships, as well as sponsor signs on holes, carts, the interior wall sign, and new this year, the golf course layout sign that is next to our newly re-done cart path that heads towards hole #1. Each of these options will be available individually as well as in group packages. Below you will find all the details. All sponsorship checks and money are due by March 1st. This ensures we have time to get the new signage created and up before our 2021 season. We have several new event ideas in the works for members for the upcoming year and truly feel this is a great bargain for some prime advertising of your companies brand. As always, we want to thank all of our past sponsors and all of our loyal members for supporting this great club that we have in our community. Thank you!
